

Gwalior : Oct 20, 2018

Dear < participant > ,

We bring it to your information that the schedule for secondary level examination of **Aryabhat Astronomy Quiz 2018-19** has been finalised. The program will be held at **National Law Institute University, Bhopal** on **22nd December 2018**.

As already intimated, the examination will comprise of solar activity, paper presentation, sky reading, viva-voce and practical telescope handling, through which your aptitude, knowledge & skill for astronomy will be evaluated. On the basis of your overall performance, you can win an opportunity to visit one of the selected observatories during the forthcoming summer vacations. The trips are subject to clearance from the concerned authorities, and can be postponed or altered, should the exigencies so warrant.

The camp for secondary level examination shall commence at **11:00 am on Saturday the 22nd December 2018**. The detailed schedule of the camp and necessary instructions are given overleaf. The arrangements for lodging, boarding and basic amenities for the participants will be made by us at the camp site. We shall also arrange for transport facility between Bhopal and the Camp-site, the details of which shall intimate in due course.

You must submit the topic of your paper presentation by email to **info@aryabhat.org** before **15th December 2018**. Please note that delay in submission of the same would result in deduction of marks.

The finale for declaration of result and distribution of prizes will be held on **Sunday the 23rd December 2018**. Separate invitation will be sent to the parents and school authorities for this event.

Please note to submit your health-declaration at the time of joining the camp. The format of health declaration is given on our website.

We wish you a great success in this examination.
